T/Th 8:45-11:45 Mixed Age Preschool	\$255.00

\_\_\_\_\_ has been scheduled for the \_\_\_\_\_ Class.

Before the start of school, you will be added to Procure (typically in June for the new school year). Your child's teacher will call and/or email you as well. Your family is invited to our "Back to School Orientation" on Thursday August 31st, 2023 or Friday September 1st, 2023. Your child's classroom teacher will email you mid-Summer with a Welcome to School email and confirmation of orientation time.

The state of Illinois requires that your child have on file at school a birth certificate copy, and a health form filled out by a doctor in Illinois. The date on this form must be not more than 6 months before your child begins school for new families, and it is then good for 2 years. A record of immunizations must be filled out at the top and signed and dated by a medically approved person. A health check-up must be recorded, signed, and dated at the bottom of the form by a doctor. A required TB and LEAD test may be waived by the doctor. This must be indicated on the form. A parent must fill out and sign the Health History section. Monthly tuition for the MWF Preschool/Pre-K is \$330; TTH Mixed Age Preschool/Early Learners is \$250; Kindergarten Prep is \$740; and MWF Extended Day Enrichment is \$200. Tuition is billed and paid through the Procure App, nine total payments for the school year, beginning October. September tuition is due by August 15, 2023; if tuition is not received by August 15th, we cannot assure your child a spot in the class.
